

**March 11, 2010 Monthly Highlights: Ross Kelley, President**

Looking for citizen volunteers:

- **Spokane Park Board** – one seat
- The **Citizen Advisory Committee to the Urban Forest Tree Committee** of the Spokane Park Board is seeking a member-at-large
- **Fundraising volunteers** needed – committee to help raise money for kids' free swimming this summer
- Call 625-6200 for more info on all.

**Dog Park** fundraising is underway.

- SpokAnimal C.A.R.E., the Spokane Parks Foundation and the City of Spokane Parks and Recreation Department are working together
- Location – High Bridge Park
- More info: Gail Mackie at SpokAnimal, 534-8133

Please **don't feed the ducks** – park ponds

- Signs have been posted - Manito, Cannon Hill and Riverfront Park
- Bread is bad for ducks
- We are working to improve water quality in park ponds and ultimately the health of the water fowl
- If you care about the ducks, stop feeding them and allow them to return to their natural habits

The **movie, Hubble**, blasts off the Riverfront Park giant screen IMAX – beginning March 19<sup>th</sup>

- Journey through distant galaxies
- Explore the grandeur and mysteries of our celestial surroundings
- Accompany space-walking astronauts as they attempt the most difficult and important tasks in NASA's history
- Info on showings and tickets: [www.spokaneriverfrontpark.com](http://www.spokaneriverfrontpark.com)

**Riverfront attractions** reopen fulltime for the season:

- Carrousel – March 26
- Pavilion rides and Tour Train – March 27
- SkyRide –currently open with limited schedule; full schedule beginning April 30
- Check web for more information
