SUMMER PARKWAYS IN SPOKANE

Come and celebrate health and community!

The City of Spokane, Spokane Parks and Recreation and Spokefest invite you to “Spokane Summer Parkways”—a brand-new event in Spokane.

On July 11 and Aug. 22, bring your family, bikes, boards, and feet down to Howard St. between Riverfront and Corbin parks for “Spokane Summer Parkways.” The street will be closed to all motor vehicles and be open for all human-powered transportation such as bikes, skateboards and pedestrians.

The event will take place on both days between 9 a.m.-1 p.m. with activities for the whole family, including:

- Music
- Dancing
- Physical fitness classes
- Snacks

The idea for “Spokane Summer Parkways” came from an event in Bogotá, Columbia, called Ciclovía, which means “bike path” in Spanish. The goal is to focus on recreation, fitness and community.

For more information about the events, check out the following websites:
