SKYRIDE CLOSED
SEPTEMBER 27 – OCTOBER 1

The Spokane Falls SkyRide over the Spokane River will be closed from September 27 – October 1 for scheduled maintenance.

About the Spokane Falls SkyRide

For a spectacular view of the Spokane Falls, ride the Spokane Falls SkyRide in Riverfront Park. Enjoy a 15 minute ride in an “all weather” enclosed cabin. Each of the 15 cabins is ADA compliant and can hold 6 passengers.

The ride takes you past our art deco City Hall, then gradually dropping down 200 feet over the Huntington Park Natural Area. From there, you will continue across the Spokane River, under the historic Monroe Street Bridge and return to Riverfront Park.

While the best views are March through June, there is always something new to see. Bring your camera and capture some memorable photos. The cabin windows open for clear shots. Sometimes, you can even catch a rainbow.
