**TRAIL WORK DAY &
OPEN HOUSE
CELEBRATION FOR
THE
MERKEL COMPLEX
TRAILS**

Parks and Recreation is scheduling a trail work and celebration day for the Merkel Trail and the Merkel Perimeter Trail.

“This last two years have seen a variety of people do a ton of work to make these two trails happen,” said Mike Aho, recreation supervisor.

“The beauty of these trails is that they are connected and add almost 6 miles to our trail system which is one of the largest additions in several years in Spokane,” Aho said. “I would love to have volunteers attend, do a little work, walk the trails, and celebrate this much needed addition.”

Here are the details:

- Saturday October 23, 12:30-3:30 pm
- Meet in front of Skate Park at the Merkel Sports Complex at 12:30 pm.
- Bring trail tools (shovels, racks, litter bag, loppers), gloves, sturdy shoes, and a water bottle. Be sure to dress for the weather.

- We will touch up and clean up the new trail down to Riverside State Park, walk and touch up the new trail that goes around the perimeter of the Joe Albi/Merkel Complex and celebrate all the work that has occurred the last two years on these two connected trails.
- RSVP to Mike Aho 625-6546 or maho@spokanecity.org
