CREATE YOUR OWN SPRING BREAK

*Gaiser Conservatory in Manito Park is
Alive with Colorful Blooms!*

Especially on a day like today you can chase away those winter blues with a visit to the Gaiser Conservatory in Manito Park, 1702 S. Grand Blvd. (17th Ave. & Grand Blvd.). The gardeners have been busy and now are featuring a beautiful display of colorful and fragrant spring plants, bulbs, and flowers.

Among the many blooms you'll find tulips, daffodils and a wide variety of spring flowers. **The Conservatory is open daily including Saturday and Sunday from 8 am until 3:30 pm.** The exhibit is **FREE** and the public is encouraged to visit.

Please note that on Wednesdays the Conservatory may be intermittently closed to allow for plant maintenance.

About Manito Park

The Parks and Recreation Department maintains Manito Park's 78 acres of native and cultivated landscape and 20 acres of world class botanical gardens. Comprised of five major garden areas, the Nishinomiya Tsutakawa Japanese Garden, Duncan Garden, Rose Hill, Lilac Garden and Ferris Perennial Garden, Manito Park is nationally recognized for its diverse horticultural displays. In 2007, Rose Hill was named number one in the nation by All-America Rose Selections (AARS), a nonprofit association dedicated to the introduction and promotion of exceptional roses. Central to the Park is the Gaiser Conservatory where beautiful flowing displays change seasonally. For more information please see our web site, www.spokaneparks.org
