**WITTER AQUATIC CENTER &  
A.M. CANNON AQUATIC CENTER  
TO REMAIN OPEN ADDITIONAL DAYS**

\*\*\*\*\*

With the planned full cooperation of Mother Nature and some hot days ahead, City of Spokane Parks and Recreation will keep both Witter Aquatic Center open for swim team and lap swimming, and the centrally located A.M. Cannon Aquatic Center available for “open swim” through September 10<sup>th</sup>.

This provides several additional days of late summer fun for kids of all ages including swim team members and lap swimmers. The hours of operation will be as follows:

**Witter - swim team & lap swimmers only – 11:30 a.m. - 1:00 p.m. and 3:00 - 6:00 p.m. weekdays only through September 9th.**

**A.M. Cannon - “open swim” for all swimmers – 4:00-6:00 p.m. weekdays and 1:00 - 4:00 p.m. weekends through September 10<sup>th</sup>.**

“With hot summer weather arriving so late this year, many citizens were disappointed that our pools would be closing this weekend,” says Parks Director Leroy Eadie. “At the urging of Mayor Verner and others, we developed a plan to keep our community in the swim for a few more days.”

**Please note:**

- Comstock and Hillyard aquatic centers will close this Saturday to make way for the previously scheduled doggie dips to take place August 28<sup>th</sup> and 29th.
