ABOUT THE ICE PALACE

Recognized as one of the best outdoor skating rinks in the nation, the Riverfront Park Ice Palace is open from October thru the end of February. So, if you're a seasoned skater, or if you've never been ice skating, or even if it's been awhile, come enjoy ice skating at the Ice Palace. We've made some great improvements for this season including indoor seating, expanded food service and more new skates. Please thank our sponsors for helping to make outdoor wintertime entertainment affordable. www.spokaneriverfrontpark.com
