Jacki,  
I think this is the final version of the text that we'd like to appear on the sign:

<sup>3</sup>One More<sup>2</sup>

In honor of the enthusiasm of basketball player Jerry Talley  
who, in his eighth decade, inspired others  
to play <sup>3</sup>one more game.<sup>2</sup>

Could you please share it with everyone who will be at the meeting tomorrow?  
Thanks,  
Tod Marshall

RE: Dedicating the Peaceful Valley Basketball Court

I live in Peaceful Valley, and we have a paved Hoopfest basketball court beneath the Maple Street Bridge at the center of our neighborhood. For the last several years, no neighbor has used the court more than Jerry Talley—sun, rain, snow, sleet (the givens of Spokane weather) and Jerry will be out at the court, shooting, rebounding, chasing missed shots. What makes this compelling: he's seventy-one years old. Perhaps you saw him last year on the cover of the Spokesman Review's Hoopfest insert. Jerry was the oldest player in last year's tournament, and, sadly, just before last year's tournament, he lost his wife of 50+ years, Roberta (<http://www.spokesmanreview.com/hoopfest/2010/stories/?ID=333844>).

Jerry persevered through the loss of his wife and continued to play out on the court until about six weeks ago. A slight cough led to trouble breathing and, eventually, the emergency room at Deaconess. Doctors discovered an inoperable tumor in his throat. Jerry's home now, receiving hospice care, but he won't shoot baskets again on his beloved court.

Which brings me to my request: the court is in so many ways *Jerry's Court*, and I think that it would be a befitting honor to dedicate the court to him and his energy and enthusiasm. At the suggestion of Leroy Eadie, I queried Matthew Phillipy and our neighborhood council and de facto neighborhood email list (over 70' residents of the neighborhood). The response has been uniformly positive—many neighbors have volunteered to help fund the dedication.

Although I am not certain of what the dedication would exactly entail—and am open to suggestions from the Parks Department—I understand the policy regarding such mementos and the impulse to keep the parks from taking on too morose an atmosphere. If painting one of the backboards seems to difficult in terms of maintenance, then perhaps a plaque or sign mounted on a bridge abutment or the small shelter could provide the dedication. If the parks department approves this request, then I thought I'd work with Jerry's family in order to come up with appropriate text. My initial impulse, though, is to celebrate his spirit and love for the game of basketball. Let me explain briefly: I've played many games with Jerry out on the court (as have other neighbors). In the chill of winter or the heat of summer, Jerry's mantra always seemed to be "One More?" No matter how hot and sweaty and tired we were, Jerry always had it in him for one more game. Teenagers, Twenty-somethings, middle-aged former-athletes: Jerry would outlast all of us.

So: perhaps something like this would make a good dedication:

"One More"

In honor of the enthusiasm and spirit of basketball player Jerry Talley who even in his eighth decade always encouraged each of us to find the strength and perseverance to play "one more game." He will be missed.

If this doesn't seem appropriate, then I can tinker with the concept. I have no real sense of

the cost and size of such a plaque; I'd want it to be large enough to be easily read and placed, perhaps, high enough up on the concrete of the bridge or building to avoid easy defacement. It seems, though, that cost will not be a limiting factor; several neighbors have already pledged commitments.

Thank you for your time.

Sincerely,

Tod Marshall

Dear Park Board,

The Hispanic Business & Professional Association (HBPA) will have it's fifth annual Hispanic Heritage Festival on August ~~20<sup>th</sup>~~<sup>13<sup>th</sup></sup>, at Harmon Park in Hillyard. A purpose of HBPA is to provide scholarships to Hispanic students. HBPA has in the last 10 years contributed over \$100,000 in scholarships to deserving Hispanic students.

Last years event was attended by by approximately 2000 Spokane citizens. The main attractions at this family event were music, food, kids fun zone, many craft vendors, and informational booths. A proclamation was read by County commissioner Mark Richard. We were also fortunate to have Mayor Verner address the crowd.

It is our desire for 2011 have a beer garden during the event. We respectfully request that the park board waive the one time per year permit for such a garden. HBPA will have liability insurance in place to cover any contingencies. In addition to our own security we will also have help from deputies provided by Sheriff Knosevich.

I would be happy to answer questions you may have.

To Whom It May Concern,

Hoopfest is truly a grassroots, community event. Jerry Talley's passion for the game, embodied so often through countless hours spent playing basketball at his neighborhood Peaceful Valley court, is a noteworthy example of a valued Hoopfest player. Hoopfest supports the efforts from Jerry's Peaceful Valley neighbors, his friends, to pay tribute to his legacy through recognizing this Hoopfest renovated basketball court as Jerry's Court. "One More" , always one more!

EASEMENT EXCHANGE AGREEMENT

---

This Agreement is entered into as of \_\_\_\_\_, 2011 (the "Effective Date"), by and between FAIRMOUNT MEMORIAL ASSOCIATION, a Washington nonprofit corporation ("Fairmount"), and the CITY OF SPOKANE, a Washington municipal corporation ("City").

WHEREAS, Fairmount and the City are desirous of entering into an agreement whereby Fairmount will grant certain recreational trail easements to the City, and whereby the City will grant certain access easements to Fairmount.

NOW, THEREFORE, in consideration of the respective agreements set forth below and for valuable consideration, the receipt and sufficiency of which is acknowledged, Fairmount and City agree as follows:

1. Grant of Trail Easement. Subject to the terms of this Agreement, Fairmount agrees to grant and convey to City a trail and access easement in substantial form and content as set forth in Exhibit "A" hereto ("Recreational Trail Easement").
2. Grant of Access Easement. Subject to the terms of this Agreement, City agrees to grant and convey to Fairmount an access easement in substantial form and content as set forth in Exhibit "B" hereto ("Access Easement").
3. Consideration. The Parties hereby agree that the reciprocal transfers of easements, as identified in Sections 1 and 2 above, provide sufficient consideration for the mutual undertakings and easement grants contemplated in this Agreement. The parties acknowledge that it would be difficult, if not impossible, to ascribe a value to the reciprocal easement rights contemplated in this Agreement. Each party, therefore, waives any right to receive, or to require the other party to obtain, an appraisal of the easement rights contemplated in this Agreement.
4. Conditions to Closing.

4.1 City's contingencies. City's obligation to grant the Access Easement is expressly contingent upon the following:

4.1.1 Recreational Trail Easement. The Recreational Trail Easement must be executed and delivered to the Escrow Agent (defined in Section 5 below) for recording.

4.1.2 Representations and warranties. All of Fairmount's representations and warranties contained in or made pursuant to this Agreement being true and correct when made and as of the Closing Date;

The foregoing conditions contained in Section 4.1 are collectively referred to in this Agreement as "City's Contingencies."

**4.2 Satisfaction/waiver of City's Contingencies.** City's Contingencies are solely for the benefit of City. The parties shall diligently attempt to timely satisfy all of the City's Contingencies. If any of City's Contingencies are not timely satisfied, City will have the right at its sole election either to waive any of them in writing and proceed with the exchange of easements or to terminate this Agreement. If City elects to terminate this Agreement, the escrow will be terminated, all documents and other funds will be returned to the party who deposited them, and neither party will have any further rights or obligations under this Agreement, except as otherwise provided in this Agreement, and except that each party shall pay one-half (1/2) of the cost of terminating the escrow.

**4.3 Fairmount's contingencies.** Fairmount's obligation to grant the Recreational Trail Easement is expressly contingent upon the following:

**4.3.1 Access Easement.** The Access Easement must be executed and delivered to the Escrow Agent for recording.

**4.3.2 Representations and warranties.** All of City's representations and warranties contained in or made pursuant to this Agreement being true and correct when made and as of the Closing Date.

The foregoing conditions contained in Section 4.3 are collectively referred to in this Agreement as "Fairmount's Contingencies."

**4.4 Satisfaction/waiver of Fairmount's Contingencies.** Fairmount's Contingencies are solely for the benefit of Fairmount. The parties shall diligently attempt to timely satisfy all of Fairmount's Contingencies. If any of Fairmount's Contingencies are not timely satisfied, Fairmount will have the right at its sole election either to waive any of them in writing and proceed with the exchange of easements or to terminate this Agreement. If Fairmount elects to terminate this Agreement, the escrow will be terminated, all documents and other funds will be returned to the party who deposited them, and neither party will have any further rights or obligations under this Agreement, except as otherwise provided in this Agreement, and except that each party shall pay one-half (1/2) of the cost of terminating the escrow.

**5. Closing Date.** This transaction will be closed in escrow by First American Title Company acting as escrow agent ("Escrow Agent"). The closing will be held at the offices of the First American Title Company no later than five (5) days after the Effective Date of this Agreement. The date on which the Recreational Trail Easement and the Access Easement are recorded is referred to in this Agreement as the "Closing Date." If closing does not occur by the above-mentioned date, or any later date mutually agreed to in writing by Fairmount and City, Escrow Agent will immediately terminate the escrow and return all documents to the party that deposited them.

This Easement does not relieve Grantee from its obligation to secure such permits and bonds as are required by the City or any other agency prior to any work being performed in the Easement Area.

3. **Grantee Covenants.** Grantee, its assigns and successors in interest shall at all times exercise its rights herein in accordance with the following covenants and with all applicable statutes, orders, rules and regulations of the City of Spokane and any public authority having jurisdiction:

(a) **Construction/Maintenance.** Grantee, at its sole cost and expense, shall construct and maintain the Recreational Trail in accordance with applicable standards and minimum standards of applicable governmental entities. In addition, Grantee shall be solely responsible for the installation, care and maintenance of the landscape, plant materials and improvements in the Easement Area.

(b) **Hold Harmless.** Grantee shall indemnify, defend, and hold the Grantor, its officers, agents, and employees harmless and free from all loss and liability for any claim by any person, or for any injury or property damage resulting from, or by reason of, the construction, maintenance, operation, repair, or use of the Recreational Trail pursuant to this Easement including the enjoyment of all privileges under this Easement, unless caused directly or indirectly by Grantor's negligence or intentional misconduct.

(c) **Hazardous Waste.** By accepting this easement, Grantee (hereafter the indemnifying party), its successors and assigns, shall indemnify and hold Grantor harmless from and against any and all losses, liabilities (including strict liability), damages, injuries, expenses, and costs including, without limitation, reasonable attorney's fees, of any settlement or judgment and claim of any and every kind whatsoever paid, incurred or suffered by, or asserted against, Grantor, its successors and assigns by any person or entity or governmental agency, for, with respect to, or as a direct or indirect result of the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Substance (as defined hereinbelow) resulting from Grantee's exercise of its rights and privileges granted hereunder including, without limitation, any losses, liabilities (including strict liability), damage, injuries, expenses, and costs, including, without limitation, reasonable attorney's fees, of any settlement or judgment or claims asserted or arising under, as amended, the comprehensive Environmental Responses, compensation and Liability Act, the Superfund Amendment and Reauthorization Act, the Resource Conservation Recovery Act, the Federal Water Pollution Control Act, the Federal Environmental Pesticides Act, the Clean Water Act, any so-called federal, state or local "Superfund" or "Superlien" statute, or any other statute, law, ordinance, code, rule, regulation, order or decree regulating, relating to or imposing liability (including strict liability), or standards of conduct concerning any Hazardous Substance.

(d) **Easement Perimeter Fence.** Grantee, at its expense, will install a chain-link fence along the western edge of Easement Area No. 2 consistent with the appearance of Grantor's perimeter fences and Grantee shall thereafter maintain such fence.

(e) **Signs.** At the endpoints of Easement Area No. 1 and at least every 100 feet along the chain-link fence described in Section 3(d) of this easement, Grantee shall place and maintain signs, in a form acceptable to Grantor and Grantee, acknowledging the easement rights granted by Grantor. At least every 100, alternating on the northerly and southerly boundaries of Easement Area No. 1, Grantee shall place and maintain "no

trespassing” or similar signs, in a form acceptable to Grantor and Grantee, designed to notify users of the recreational trail that their use rights are confined to the boundaries of Easement Area No. 1.

4. **Successors.** The agreements contained herein and the rights granted hereby shall run with the title to the Easement Area and shall bind and inure to the benefit of the parties hereto and their respective heirs, successors, sub-lessees and assigns.

5. **Termination.** The rights granted in this Easement shall remain in full force and effect until the earlier of (i) such time as both the City Council and the Spokane Parks Board find that the Easement is no longer needed for park purposes and authorize execution of a release of the Easement or (ii) the City no longer holds out Easement Area No. 1 or Easement Area No. 2 as being open to the public for recreational purposes for a period of at least 180 consecutive days; provided, the easement areas shall not be considered closed to the public for purposes of this section while the trail is being constructed, maintained, improved, repaired and/or replaced.
